

## Allenstown Public Library

### Meeting of the Trustees

November 2, 2017

Call meeting to order 11:00 AM

Present: JoAnne Dufort, Alice Phelps, Patricia Adams

#### **Building and Maintenance**

Capital Alarms testes our fire extinguishers and alarm system on October 10. They are charging our extinguishers and have left loaners for us.

Marie Mahegan from Grace Capital Church contacted Patti regarding outside fall clean-up. Patti emailed her a list of what needs to be done and she and a group of volunteers will be visiting the library November 5 to do the yard work.

Lowe's quoted us \$956.62 to replace our storm door. This is for them to build a custom fit storm door, install it and haul away the old door. The new door will be aluminum with screens. Patti will go to Concord to pay for the door and arrange for installation.

#### **Programming**

Our Halloween Scavenger Hunt had twelve participants.

Josh Judge will be visiting the library on Thursday, November 9 at 11AM to answer questions about the weather and discuss his book, Be Nice to the Weather Guy.

**Budget:** \$13,589.08

### **Statistics October**
